Our Blessings

Dear Friends of St. Patrick's,

Since writing to you last November, much has happened in our world. Crisis happens and is not in our control. Whether caused by Mother Nature or unexpected violence in our communities, crisis leads us to change and cope.

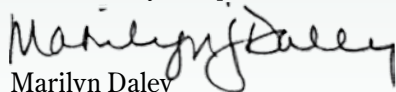

There have been recent stories covered in the media where hurricanes in Florida and tornados and flooding in Illinois caused nursing facilities to evacuate their residents to safe shelter. We have also witnessed the heartbreaking grief again and again where violence has taken the beautiful lives of the innocent.

Though we can't predict if these situations will happen here, we do know that we must prepare, train and educate all constituents on the emergency response procedures at St. Patrick's Residence. Our Emergency Response Procedures were mailed in the February resident billing statements. If you would like a copy mailed to you, please contact Joy Hudson at (630) 416-6565, ext. 1513 or email at jhudson@stpatrickresidence.org.

Our staff has worked tirelessly on each detail involved in the plan. I applaud the efforts of Kevin Martin, Maintenance Director/Chief Engineer and Jason Scofield, Senior Engineer, in leading our team in the development and implementation of the Emergency Preparedness Plan.

When circumstances cause me to question the goodness in the world, I think of all of you. Our dear residents, families, friends, volunteers and staff who treat each other like family every day. Whether the comfort of a hug or the sunshine of a smile, I am humbled to serve you and your families.

Grateful for your spirit and devotion to our Mission,

Marilyn Daley
Administrator

Devotion and Inspiration: Mother Angeline's Mission

At the age of 19, Mother M. Angeline Teresa (given name, Bridget Teresa McCrory), the Foundress of the Carmelite Sisters for the Aged and Infirm, left her family in Scotland to become a Little Sister of the Poor. In 1926, she was appointed Superior of a Home of the Little Sisters of the Poor in the Bronx, New York. The more she got to know the residents, the more she came to realize that the European customs did not meet the needs or customs of America. She also felt that old age knows no boundaries and strikes all classes of people, leaving them alone and frightened.

Unable to affect any necessary changes in her present situation, Mother Angeline sought advice and counsel from Patrick Cardinal Hayes of New York. He provided her with great encouragement, as he too felt more could be done for the aged people in the New York area. In order to accomplish what she felt called to do, and with the blessing of the Cardinal, Mother Angeline and six other Sisters withdrew from the Congregation of the Little Sisters of the Poor and were granted permission from Rome to begin a new Community for the care of the aged, incorporating Mother Angeline's ideals. On September 3, 1929, the Carmelite Sisters for the Aged and Infirm was founded.

The Carmelite System: Strengthening the Foundation

In 1999, the Sisters formed a nonprofit corporation known as the Carmelite System for the Aged and Infirm, Inc., which was renamed The Carmelite System, Inc. in 2010.

St. Patrick's Residence benefits from the presence of the Carmelite System as it allows a system-wide coordination and collaboration to foster mission, improve quality and attain operational efficiencies. Services such as mission effectiveness, quality improvement, financial and business services, group purchasing, management of information services, strategic planning, public policy and education are provided to each member.

The Carmelite System consists mostly of senior care facilities sponsored by the Carmelite Sisters in addition to their other long-term care facilities. The facilities are located in Florida, Illinois, Iowa, Kentucky, Massachusetts, New York, Ohio, Pennsylvania and Ireland. Though the services vary between locations, the homes provide skilled nursing, assisted living, independent living and short-term rehabilitation. (A link to each Home and its services can be found at www.carmelitesystem.org/facilities.)

There are currently over 150 Carmelite Sisters living and serving in the Homes. Each home sponsored by the Carmelite Sisters follows the four core values of compassion, hospitality, shared commitment and sanctity of life. The Sisters live in Convents attached to the Homes and together with their dedicated staff serve the residents with love, respect and dignity.

Located in the Hudson Valley Region of New York, on the grounds of the Motherhouse of the Carmelite Sisters, the McCrory Center is the headquarters for the Carmelite System. Opened in 2010, the McCrory Center provides the Carmelite System with additional resources to better serve our residents and facilities.

On June 28, 2012, His Holiness, Pope Benedict XVI, authorized the Promulgation of the Decree of Heroic Virtues. Mother Angeline is now known as Venerable Mary Angeline Teresa, O. Carm.

Welcome Sister Mary Elizabeth

The Sisters and Staff were thrilled to welcome Sister Mary Elizabeth to St. Patrick's last November. This is the second time Sister has been assigned to the Chicagoland Area. She shared that many things have changed, but the cold, snowy weather remains the same!

She has been busy caring for the residents and transitioning from the East Coast to the Midwest. She enjoyed being on the East Coast for the opportunity to visit her brother, but is looking forward to her next chapter in Naperville.

Sister Mary Elizabeth was born and raised in York, Pennsylvania, along with her seven siblings. During her childhood, she was responsible for caring for her younger siblings, so it came as no surprise when she decided to continue her education in nursing. On August 28, 1953, Sr. Mary Elizabeth entered the convent and on December 8, 1980, she took her final

vows to become a Carmelite Sister and dedicated her life to serving the aged and infirm.

In her free time, she enjoys shopping, sightseeing, watching movies and spending time with animals, especially dogs. One thing that makes her unique is her affinity for bright, colorful smocks that the residents and staff enjoy. Next time you are in the House introduce yourself and welcome Sister Mary Elizabeth to St. Patrick's.

Benefactor Mass Celebrates Love, Dedication and Friendship

We presented the Croagh Patrick and Claddagh Awards at our Annual Benefactor Mass and Reception in December.

Michael and Rose King were the recipients of this year's Croagh Patrick Award. This award is given to individuals for their extraordinary kindness and generosity to the Carmelite Sisters and residents of St. Patrick's. We were blessed to connect with Michael when he was looking for a nursing home to care for Rose in 2011. After Rose passed away in 2013, Michael continued to stay in touch with St. Patrick's. Their generosity as Gold Key Gala Sponsors and in 2017 as Leadership Circle Sponsors has allowed St. Patrick's to take on a number of projects in our home to improve the lives of our residents, including the remodeling of all five shower rooms and the replacement of the EZ lift equipment for nursing.

We were honored to present Michael and Rose King with the Croagh Patrick Award for their selfless dedication and boundless Christian generosity to St. Patrick's over the years. Their gifts will touch the lives of our residents for years to come.

Chuck Salem was the recipient of this year's Claddagh Award. The Claddagh is a symbol which is over 400 years old. The heart denotes love; the hands, friendship; the crown, loyalty. This award was established by the Carmelite Sisters to acknowledge those who have reached out to St. Patrick's Residence creating a bond of true friendship.

Chuck was introduced to St. Patrick's by our dear friend Ron Buonauro, who passed away in 2008. Chuck took the baton from Ron and was a leader on our Golf Committee serving as our Stonebridge Country Club host and integral to the success of the annual golf outing. Chuck's pleasant demeanor and positive attitude made him a joy to be around. He was the type of person who would call if only to see how things are coming together and always closing with, "Promise you will call me if you need anything".

The week before Christmas, Chuck passed away, leaving behind a legacy of giving to others. He has passed the baton on to his daughter, Lisa, who will be serving on the 2018 Golf Committee.

Thank you to all of our Benefactors and supporters for the difference you make in the lives of our residents. St. Patrick's is blessed to have the love, dedication and friendship of so many kind and caring people.
