Our Blessings

Dear Friends of St. Patrick's,

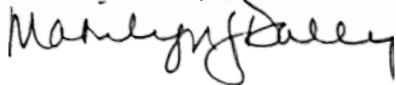

I hope you have been successful at staying cool these past few months. We are forever grateful to the Sunrise Rotary Club of Naperville, The Guild of St. Patrick's and volunteers, who have kept our gardens flourishing for the residents, families and visitors to enjoy. We were fortunate in June to receive a generous gift from an anonymous donor through the Carmelite Sisters. The gift allowed us to complete a number of projects including the purchase of new furniture for The Guild of St. Patrick's Butterfly Garden, which is located off of the 2E sitting room.

The previous garden furniture will have a new home in an outdoor patio being built for staff to enjoy the outdoors during their breaks on these beautiful weather days.

In July, we rolled out an annual employee performance evaluation tool based on the principles of the 4 Core Values of the Carmelite Sisters: compassion, hospitality, sanctity of life and shared commitment. Every job description has been redesigned to identify how each job responsibility contributes to the Core Values. Our goal is to use the Core Values to guide our strategic direction and staff performance. As always, I encourage you to contact me directly at mdaley@stpatricksresidence.org or Sr. Anthony at sranthony@stpatricksresidence.org to share your feedback on how we are doing.

I hope you will be able to join us for an evening of friendship at the 15th Annual Gold Key Gala scheduled for Thursday, September 20th at Cress Creek Country Club. The proceeds from this year's Gold Key Gala will be used to create a homelike environment for the 3rd floor residents (see page 8, Gold Key Gala). We thank you for your support, as without your generosity, these enhancements would not be possible.

For St. Patrick's,

Marilyn Daley, Administrator

Angels Among Us

In 1966, when St. Patrick's Residence was operating in downtown Joliet, The Guild of St. Patrick's was already in its initial formation. The early years were spent in volunteering and running the coffee shop and evolved to include fundraising spaghetti dinners. Their reputation for organization caught the attention of Bishop Romeo Blanchette, who approached The Guild with the challenge to form, shape and grow a structured volunteer program for St. Patrick's Residence. The Guild created the Volunteer Coordinator position and staffed it solely through volunteers. The success of their efforts has led to the 250+ strong volunteer program that we enjoy today and the creation of a full-time, paid Volunteer Coordinator position. Referred to as the "Service Family," our volunteers are vital as they provide the extra hands and hearts to help us carry on the Mission of the Carmelite Sisters for the Aged and Infirm caring for our elders with love, respect and dignity.

The Guild remains an integral part of our Service Family. "After 52 years, the Guild has served as angels touching the lives of our residents, their families and our staff. The strength of the love they bring into our Home is immeasurable," comments Sr. Anthony Veilleux, Assistant Administrator.

We thank the many Guild Members who have served St. Patrick's Residence over the years for all of the time, talent and fundraising they have dedicated to St. Patrick's.

Rain, Rain, Go Away... Come Again Not On The Golf Outing Day!

Even though the 3 1/4 inches of rain didn't allow us to get out on the course, we were thankful so many were able to come back to enjoy an evening of cocktails, dinner, auctions and friendship. The proceeds from the evening will be used to enhance the quality of care for our residents. A special thanks to Mike Lake for capturing the great photos.

This year was the first official "golfless" outing in the 29 years of holding the event. To prepare for the 30th Anniversary, the Sisters will be putting everyone on weather prayers next year!

Volunteers...We're Better Together

On Saturday, April 21st, we concluded our National Volunteer Week celebration with a special Mass, award presentation and reception to honor the over 250 volunteers who give of their time and talents to St. Patrick's Residence. We value and appreciate all that our volunteers do throughout the House.

The Volunteer Family of the Year Award is presented to a family who exhibits the power of working together in devotion to the residents of St. Patrick's and the Mission of the Carmelite Sisters for the Aged and Infirm. Volunteering is a great way for families to have meaningful time together. This year's recipient was the Sullivan family who volunteers every Saturday at our Happy Hour social and exemplifies the meaning of "Doing Good Together."

The Light of St. Patrick's Award is presented to a volunteer who inspires and embraces the Mission of Venerable Mary Angeline Teresa, Foundress of the Carmelite Sisters. This year's recipients were Bill and Marilyn Sobczak, who have a long history with St. Patrick's Residence as family members and volunteers. They support us in many ways from serving at the coffee social, playing the piano, Mass escorting, entertainment for special events and maintaining the supply of greeting cards, which raises money for our aviary. Together they have generously volunteered over 2,300 hours of their time to St. Patrick's.

Congratulations to our Service Leadership Award recipients, who reached over 1,000 service hours to St. Patrick's Residence: Nadia Behna, Polly Benton and Maryann Ciccarelli.

The Sisters, Staff and Residents treasure the dedication and commitment of our volunteers in the many roles they perform. Whether it's Mass escorting, assisting in the clinic or beauty shop, helping to run BINGO or being a companion to a resident, these roles are critical to the care we provide to our residents each and every day. Thank you for making us "Better Together"!
