

Our Mission:

As a dementia friendly community, we are dedicated to strengthening and supporting those with cognitive changes and their caregivers by raising awareness, reducing social stigma, providing educations and communicating best practices.

Our Vision:

We strive to improve the lives, welfare, and dignity for those with cognitive changes, while maintaining the greatest level of compassion, expertise and integrity.

Dementia Friendly Naperville

was formed with you and your caregiver in mind. We are not a medical association, nor can we diagnosis any medical disorder. We encourage you and your family to seek a medical professional and obtain the proper diagnosis. Dementia Friendly Naperville should only be used for the resources provided.

Senior Residential Options

Levels of care for those with Dementia

In Home Care

In home care to ensure safety and quality of life. Caregivers come into the home to help with personal care, medical help and with daily home needs.

Adult Day Centers

Facilities that allow the senior to remain living at home but gives the family a safe place for the senior to go during the daytime to have activities, medical supervision, meals & socialize with others.

Senior Shared Living

Homes designed to bring seniors together as housemates but live independently and remain active in their communities.

Assisted Living

Housing for elderly or people with disabilities that provides nursing care, housekeeping and prepared meals as needed.

Memory Care

A distinct form of long-term care designed to meet the specific needs of a person with dementia or other cognitive difficulties.

Skilled Nursing

An in-patient rehabilitation center staffed with trained medical professionals.

Nursing Home

A community designed for individuals with higher medical needs. Nursing homes provide 24 hour a day medical care.

Naperville Police Department

Caring Hands Program

A person with dementia or other disorders can have pertinent information added to the emergency -1st responders database.

Fast Track Program

A radio technology used in life saving program to help locate missing persons with disabilities.

For both programs- Contact Jim Pacetti

630-548-2967
